OUR EQUIPMENT ADVANTAGE – PROFESSIONAL TROLLIES

MOBILE PARKING AREA CAR WASHING

Our trollies are designed specifically for mobile parking area car washing:

Self-contained water tanks –
No need for external water connection

Battery-operated pressure sprayers –
No power outlet required

Organized compartments –
Separate storage for clean and dirty cloths

Chemical containment –
No spills or runoff on parking surfaces

Compact & quiet –
Does not disturb residents, shoppers, or tenants.

WHY THIS MATTERS FOR PROPERTY MANAGERS:

No damage to parking areas. No water pooling.
No electrical modifications. No complaints.
